SUPPLEMENT TO
REPORT NO.

1. The Disciplinary Battalion of 5 Military District has recently been renamed, but the new title has not as yet been disclosed. While the battalion was stationed in Zagreb, it was employed in the construction of various projects in the residential district of Vrapce, such as streets and canals.
2. The 68 Autonomous Company of XI Corps which is in charge of installing military telephone and telegraph lines is quartered in the Ljubljana barracks. It is currently employed in the installation of a permanent communications line from Zagreb to Cakovec and the Yugoslav-Hungarian border. The company comprising two platoons has four officers, three non-commissioned officers on active duty, six non-commissioned reserve officers, and 40 enlisted men. The company is commanded by Lt. Ivan Zajc. The armaments comprise Italian rifles.
3. The Non-commissioned Officers' Sanitation Course consists of one battalion comprising two companies. It is housed in the Ljubljana barracks. A major who has a staff of ten sanitation officers who are instructors, and twelve additional sanitation officers who are women, is in charge of the course. The course has approximately 120 students.
4. The Chemical Warfare Defense Company, XI Corps, is quartered in the Ljubljana barracks. The company is armed with rifles and has gas masks and protective clothing against poisonous gases. Poison gases and anti-toxic equipment are used in maneuvers.
5. The Engineers' Company of XI Corps is quartered in the Ljubljana barracks.
6. The clinic of the Zagreb garrison is located in the Ljubljana barracks. The APO number of the clinic is 1608. Dr. Delanic, a Captain who is assisted by another captain, is in charge of the clinic. The staff comprises a doctor who is a captain, another doctor on military service, and six nurses. Others on the staff include a supply lieutenant and a senior sergeant. The clinic, which has 120 beds, has a regular average of 100 patients. All units of the Zagreb garrison send their patients to this clinic upon inspection by the troop doctor.

Comment: Your attention is called to [REDACTED] which lists various military projects located in the Zagreb garrison.
